**National Priorities Addressed**

| Issue Questions   | Responses   |
|---|---|
| 1. Will the treatment you intend to implement using EQIP result in considerable reductions of non-point source pollution, such as nutrients, sediment, pesticides, excess salinity in impaired watersheds consistent with TMDL's where available as well as the reduction of groundwater contamination or point source such as contamination from confined animal feeding operations? | Yes <input type="radio"/> or No <input type="radio"/> |
| 2. Will the treatment you intend to implement using EQIP result in the conservation of a considerable amount of ground or surface water resources?  | Yes <input type="radio"/> or No <input type="radio"/> |
| 3. Will the treatment you intend to implement using EQIP result in a considerable reduction of emissions, such as particulate matter, nitrogen oxides (NOx), volatile organic compounds, and ozone precursors and depleters that contribute to air quality impairment violations of National Ambient Air Quality Standards?   | Yes <input type="radio"/> or No <input type="radio"/> |
| 4. Will the treatment you intend to implement using EQIP result in a considerable reduction in soil erosion and sedimentation from unacceptable levels on agricultural land?  | Yes <input type="radio"/> or No <input type="radio"/> |
| 5. Will the treatment you intend to implement using EQIP result in a considerable increase in the promotion of at-risk species habitat conservation?  | Yes <input type="radio"/> or No <input type="radio"/> |

**State Issues Addressed**

| Issue Questions   | Responses   |
|---|---|
| 1. AFO #1 - An approved CNMP is already in place?   | Yes <input type="radio"/> or No <input type="radio"/> |
| 2. AFO #2 - The contract will include practices that will significantly reduce the threat of ground water pollution?  | Yes <input type="radio"/> or No <input type="radio"/> |
| 3. AFO #3 - The contract will include practices that will significantly reduce the threat of surface water pollution? | Yes <input type="radio"/> or No <input type="radio"/> |
| 4. AFO #4 - The contract will include practices that will reduce nitrate levels to 10 ppm or less?                    | Yes <input type="radio"/> or No <input type="radio"/> |
| 5. AFO #5 - The collection and transport system is inadequate, but will be significantly improved?                    | Yes <input type="radio"/> or No <input type="radio"/> |
| 6. AFO #6 - The storage and treatment facilities are inadequate, but will be significantly improved?                  | Yes <input type="radio"/> or No <input type="radio"/> |
| 7. AFO #7 - Manure utilization is inadequate, but will be significantly improved?                                     | Yes <input type="radio"/> or No <input type="radio"/> |

**Local Issues Addressed**

| Issue Questions   | Responses   |
|---|---|
| 1. Afo#1- Is nutrient management being or will be applied based on soil testing?                | Yes <input type="radio"/> or No <input type="radio"/> |
| 2. Afo#2- Are practices planned in 3 years or less?   | Yes <input type="radio"/> or No <input type="radio"/> |
| 3. Afo#3- Does the applicant have a favorable history in completing contract work? (if n/a yes) | Yes <input type="radio"/> or No <input type="radio"/> |
| 4. Afo#4- Is the depth to ground water 20 feet or less?   | Yes <input type="radio"/> or No <input type="radio"/> |
| 5. Afo#5- Are monitoring well contamination of nitrates 10-20 ppm?                              | Yes <input type="radio"/> or No <input type="radio"/> |
| 6. Afo#6- Are monitoring well contamination of nitrates 20-30ppm?                               | Yes <input type="radio"/> or No <input type="radio"/> |
| 7. Afo#7- Are monitoring well contamination of nitrates greater than 30ppm?                     | Yes <input type="radio"/> or No <input type="radio"/> |
| 8. Afo#8- Is a LESA?LEPA system being installed?  | Yes <input type="radio"/> or No <input type="radio"/> |
| 9. Afo#9- Is a structure for water control being installed?                                     | Yes <input type="radio"/> or No <input type="radio"/> |
| 10. Afo#10- Is a pipeline being installed?  | Yes <input type="radio"/> or No <input type="radio"/> |

|   |   |
|---|---|
| 11. Afo#11- Is a waste storage facility system being installed?                   | Yes <input type="radio"/> or No <input type="radio"/> |
| 12. Afo#12- Is a transfer pump being installed?                                   | Yes <input type="radio"/> or No <input type="radio"/> |
| 13. Afo#13- Is a manure separator being installed?                                | Yes <input type="radio"/> or No <input type="radio"/> |
| 14. Afo#14- Is a slurry line being installed?                                     | Yes <input type="radio"/> or No <input type="radio"/> |
| 15. Afo#15- Is the downstream distance to surface water or well 100 feet or less? | Yes <input type="radio"/> or No <input type="radio"/> |
| 16. Afo#16- Does the facility have a developed CNMP?                              | Yes <input type="radio"/> or No <input type="radio"/> |
